

LEAVES TO JOIN HOLINESS BAND

Young Business Man Drops Business to Become Evangelist.

MANGLED BY CIRCULAR SAW

General Braxton Bragg, Whose Reputed Daughter Died in New York, Had no Children.

(Special to The Times-Dispatch.)
NORFOLK, Va., June 26.—Claude A. Roane, of Portsmouth, has become an evangelist. The announcement was made to-day and it was a surprise to his friends and business associates. He will go to Ohio with companions in the Holiness Band for the purpose of preaching and engaging in other out of door services. He is married, has an interesting wife and two pretty children, is twenty-six years of age and has been a salesman in a retail shoe store of Norfolk for several years.

He has been interested in the Holiness cause, but his friends had no intimation of his intention to abandon his business and his home here to pursue the calling of an evangelist.

MANGLED IN A SAW MILL.
Howard Bell was sent to the Protestant Hospital, from a saw mill in Berkley Saturday afternoon, having been horribly mangled by a buzz saw. He was mangled by a buzz saw, when the friction of the machine threw one of the boards against him and forced him against the revolving saw. The saw cut an awful wound in his side, lacerating the intestines. He died this afternoon. He was twenty years of age and the son of Joseph Bell, of South Norfolk.

The Norwegian fruit steamer George Dumois, of the United Fruit Company's fleet passed in the Capes yesterday announcing that she had run down a schooner and stove in her bow, but proceeded on to Baltimore. The schooner was the three-masted Clara E. Bergen, which sailed from New York for Charleston, June 18th, with a cargo of nitrate of soda. She put into Hampton Roads last week for harbor and later proceeded south.

HEIR TO YANDAW.
Mrs. Annie Lupton, of Patterson, N. J., has been to Norfolk to prove her relationship in connection with the Thomas Yandaw fortune, said to exist in California. She visited William Huggins, the blind step-son of Yandaw, who resides on Henry Street and proved to Huggins that she was in all probability a cousin to his deceased step-father. Mrs. Lupton also called on Mrs. Yandaw, who knew Yandaw in his life time, and made a favorable impression in Norfolk.

BATHER DROWNED IN CREEK.
Anderson Parker, eighteen or nineteen years of age, while bathing in Scott's Creek yesterday afternoon, was drowned. Young Parker, with several companions, was swimming from a boat, when he was seized with cramps and went down. John Hutcheson, a young son of County Constable John E. Hutcheson, went to the rescue, and although he nearly lost his own life, his efforts were futile. The body was recovered several hours later and removed to the home of the parents, in Scottsville. The family are strangers, having come here only a short time ago. Relatives here of General Braxton Bragg, whose reputed daughter died in New York, said that General Bragg left no children. His widow is a resident of New Orleans.

MAN KILLED IDENTIFIED.
A New Candidate for the Legislature in Spotsylvania.
(Special to The Times-Dispatch.)
FREDERICKSBURG, Va., June 26.—The two men supposed to be tramps, who were killed in the wreck Friday night on the Richmond, Fredericksburg and Potomac Railroad have been identified by letters and union cards found on their bodies as John Bullard and John O'Donnell. Bullard is from Cleveland, Ohio, and O'Donnell from Aurora, Ill. The bodies have been disinterred and shipped to their homes to-day.

IN CHESTERFIELD.
Supervisors and Advisory Board in Conference.
(Special to The Times-Dispatch.)
CHESTERFIELD, Va., June 26.—The Board of Supervisors and the Advisory Board held their meetings here to-day. Outside of auditing the usual large number of claims, the principal matter discussed by the supervisors was the county road work. Superintendent A. A. Phaup, who has done some excellent work in the way of traveling and other permanent improvement since the

appointment a year ago, was to-day commended by both boards, and re-appointed for another year. His salary for the year will be \$900.

The county road force will remove on the 1st of July from Matocca District, where it has been for several months, to Manchester District, to remain there the balance of the year. The plan was adopted to-day, after considerable discussion of traveling and permanently improving the main avenues leading out from Manchester and Petersburg into this county, and leaving the rural districts untouched for another year, save for "patch-work" the individual supervisors may do out of the half of the road levy, which is under their control.

The small force of convicts now being employed by the road superintendent was reported as doing satisfactory work.

The June term of the Circuit Court will be formally adjourned to-morrow or Wednesday.

Judge Watson and lady went a part of Friday and Saturday of last week with friends here.

Licenses were issued to-day for the marriage of Mr. J. W. Phaup to Miss Daisy T. Phaup, the ceremony to take place Wednesday.

Mrs. P. V. Coghill was quite ill yesterday, but is now improving.

BIG CELEBRATION.

Clifton Forge Preparing for 4th Danville, 14; Greensboro, 8.
CLIFTON FORGE, Va., June 26.—The third annual celebration of July Fourth is exciting no little interest in this section in view of the fact that Hon. Leslie M. Shaw, Secretary of the Treasury, will be the orator of the day. Mr. Shaw was extended an invitation through Mr. W. W. Taylor, a member of the Committee on Speakers, to address the people on July Fourth, and he promptly accepted the invitation. Mr. Shaw will speak in the afternoon at 4 o'clock and at night he is expected to make a short address at a banquet to be given in his honor at Givens Inn.

The programs for the Fourth includes a military and civic parade, base-ball games, a fireworks and a number of other attractive features. Hon. J. W. Marshall, of Craig county, will be on hand and will likely introduce Mr. Shaw to the people.

The various committees are hard at work and at a meeting Saturday night it was decided to spare no expense in making the celebration the greatest event in the history of the town.

Mr. E. A. Sned is the general chairman, and he is hard at work looking after every detail. Clifton Forge will give a cordial welcome to all who visit the town on Independence Day.

SHOT A WOMAN.

Roanoke Saloon Keeper Empties His Revolver at Kate Hill.
(Special to The Times-Dispatch.)
ROANOKE, Va., June 26.—Nick Gill, a saloon-keeper, lodged five bullets in the body of Kate Hill early Sunday morning. One bullet struck the woman in the left shoulder, one in each hip and one glanced from her left side. Strange to say, the injuries are not considered fatal, unless Nick went to bed with a bullet in his head.

Nick went to bed with a bullet in his head and a bullet in his chest. He came in and jerked away his chair. He arose, pulled the gun, and put every ball in her body.

He was arrested and held on to the sum of \$500. The two parties have been several difficulties. Last winter she became jealous and almost wrecked his bar.

Five children died here since Saturday. Thos. Davis, infant son of the late Blair Artrim; Sarah Ruth, infant daughter of Mr. and Mrs. Theo. Low; Charles Robert, infant son of Mr. and Mrs. R. C. Adams; and P. Lee, infant son of Mr. and Mrs. Munk Mitchell.

EXCELLENT CROPS.

Fine Yield of Wheat—Outlook for Corn is Good.
(Special to The Times-Dispatch.)
TITTINGTON, Va., June 26.—What harvesting is done the yield and quality is very good. Farmers are very happy in their corn, which bids fair to make a record crop in this section. Hay cutting has begun, and the outlook is very good. More sturgeon have been caught hereabouts so far this season than for several seasons past, and some of these fish have been as much as 400 pounds.

There is an epidemic of measles and mumps in this section, but no fatal cases as yet.

TELEPHONE DECISION.

Court Renders One Adverse to the United Company.
(Special to The Times-Dispatch.)
WINCHESTER, Va., June 26.—Judge Thomas W. Harrison to-day decided an important case in the Circuit Court, growing out of an injunction restraining the United Telephone Company from installing a telephone line on the Winchester and Martinsburg Turnpike.

The court decided that as the company was a foreign corporation, it was not subject to the jurisdiction of the State, and not having a charter from the State Corporation Commission, it had no legal standing and no right to conduct a telephone business.

Local Option Election.

(Special to The Times-Dispatch.)
WOODSTOCK, Va., June 26.—The local option election to be held here on Tuesday promises to be a hard fought contest and a close election.

Mr. Powell Retires.

(Special to The Times-Dispatch.)
MCKENNY, Va., June 26.—Mr. A. T. Powell, of this place, formerly Commonwealth's Attorney for Dinwiddie county, has withdrawn from the court for nomination to the Senate from this district.

YOUTHFUL SUMMER SCHOOL IS OPEN

Impressive Exercises at the University of Virginia Last Night.

Attention is Called By Dr. Page to Rockefeller's Recent Large Gift.

(Special to The Times-Dispatch.)
CHARLOTTESVILLE, Va., June 26.—The seventeenth annual session of the Virginia Summer School of Methods, the second largest summer school in the United States, has exceeded in numbers only by that at Knoxville, Tenn., was inaugurated this evening at the University of Virginia. The exercises took place in the main auditorium of the academic building, and were presided over by the superintendent of the school, Mr. E. C. Glass, of Lynchburg, Va.

Addresses of welcome were made by Dr. James Morris Page, dean of the University, and by Professor William M. Thornton, dean of the engineering department, on behalf of the University of Virginia; by Judge R. T. W. Duke, Jr., on behalf of the city of Charlottesville; and by the Rev. George E. Booker, of the Methodist Episcopal Church, on behalf of the churches of the city.

Responses to the cordial welcome extended were made by Dr. G. Stanley Hall, president of Clark University, Worcester, Mass.; Prof. W. E. Black, of the department of pedagogy, Chicago Normal School; Frank P. Darling, of the department of pedagogy, Chicago Normal School; and by other members of the faculty of the summer school. William S. Black, professor of piano at the Randolph-Macon Woman's College, Lynchburg, had charge of the musical part of the programme, while readings were given by Mr. and Mrs. Henry R. Smith, of the Emerson College of Oratory, Boston, Mass.

Rockefeller's Gift.

In welcoming the visiting teachers, Dr. Page called attention to the establishment of the University of the Curry Memorial School of Education, made possible by Mr. Rockefeller's recent gift of \$100,000. Courses have already been announced, he said, for next session in the principles of education and in the history of education.

In the near future courses will be added in educational administration and educational psychology, and also the various courses which deal from the point of view of pedagogy, with the problems arising in elementary and secondary education. The school is an average school, will be cultural, suitable for students who do not intend to become teachers, as well as for those who will teach.

The Virginia Summer School of Methods was organized in 1887, with six instructors and 450 teachers. The total enrollment for the past summer has been 9,500. Two sessions were held in Lynchburg, four in Bedford City, one in Salem, one in Staunton and eight at the University of Virginia.

YOUNG MAN DROWNED.

Will Snead Drowned Near Roxboro While Swimming.
(Special to The Times-Dispatch.)
ROXBORO, N. C., June 26.—Will Snead was drowned yesterday while swimming in Marlow's Creek, near Roxboro. The body was recovered and held in \$350 bail, was discharged from custody to-day by Justice Morrison, of Luray, the evidence being that Rodgers' act was not criminal, and that he shot Laconia after repeatedly demanding that the latter make herself known.

The case has attracted a great deal of interest.

WILL MAKE HAY.

Candidates Likely to Attend the Monument Unveiling.
The unveiling of the Confederate monument at Amelia Courthouse on July 15th will attract to the county seat the largest gathering of Confederate veterans in many years, and probably the greatest assemblage of the county people for a decade or more. It will likewise be a great occasion for the candidates for political offices, who will thus have an opportunity to meet more of the people of this and adjacent counties that will be gathered together during the remainder of the campaign.

It is understood that Governor Montague, Senator Martin, Congressman Swanson, Mr. Willard, Judge Mann, Attorney General Anderson and others will attend the unveiling of the monument. Senator Martin, Mr. Willard and possibly other candidates subscribed to the monument fund.

The monument is to be a bronze effigy of the typical Confederate soldier at parade rest, the figure being mounted on a handsome and appropriately inscribed granite pedestal. The money for its purchase and erection was raised by Amelia Chapter of the Daughters of the Confederacy by popular subscription.

Dinner will be served to all of the crowd who do not bring their lunch with them. Altogether the day will be one of the greatest in the history of Amelia.

The Chimborazo Hospital Company, which was chartered in 1901, has been dissolved. At a recent meeting of the directors all of the money subscribed was

turned back to those who had contributed to it. The charter was sold to Dr. W. H. Parker for \$100. Dr. Parker, secretary of the old board. Whether he intends to start another company for the purpose of building a hospital on Church Hill is not known.

The original scheme was to build by subscription a handsome hospital on Church Hill at some desirable place. After much work the board of directors settled upon property at Thirtieth and Main Streets, and this was purchased. There was a lack of work on the part of several, and the organization found that the necessary amount could not be raised. They decided to abandon the proposition, and at a meeting decided to offer the lot for sale. Through Pollard and Bagby it was sold a few days ago to Mr. D. S. Hamilton, of Saratoga, N. Y. It is understood that Mr. Hamilton will erect two handsome residences on the site.

The purchase price for the lot was in excess of what the directors originally paid for it, and the surplus in the treasury after all the stockholders had been remitted the amount they subscribed, was divided equally between Dr. Mark W. Peyser and Dr. R. D. Garlin, who have worked hard and faithfully for the establishment of a hospital in this part of the city.

Central Council to Celebrate.

The Central Trades and Labor Council will meet to-night in Elliott's Hall for the purpose of arranging for the Fourth of July celebration.

Until to-night there will be no arrangements made. The delegates are requested to attend that the matter may be fully discussed and some definite action taken towards immediately appointing the committee and making the programme.
